Habitat Lehigh Valley offers a variety of sponsorship levels that can be tailored to meet your company's or organization's needs. Team Builders are designed specifically for groups to come together for a day of team development and home building. Teams are asked to give a donation to cover the supplies and professional support for the day. By the end of a Team Builder day, your group will be connected with each other, volunteers, and future homeowners. Team Builder donation levels not only benefit the Habitat Lehigh Valley mission, but your team will also enjoy a fun-filled day, all while creating a sense of unity among friends and neighbors. The Habitat Team Builder program allows your organization to demonstrate its commitment to Corporate Social Responsibility in the Lehigh Valley. No experience is required – just the desire to help! We welcome you to join us as we transform lives, one home at a time.

To schedule your Team Builder, contact Gina Loiacono at 610-776-7737 ext 318 or [gina@habitatlv.org](mailto:gina@habitatlv.org)
